Boats and recreational vehicles must be stored in enclosed garages or carports.
10. No trees having a circumference of six inches (6") or greater (measured at a point 12" above ground level) shall be removed from any lot without written authorization from Developer, who may adopt and promulgate rules and regulations for the preservation of trees and other natural resources upon the lot. Developer may also designate certain trees, regardless of size, as not removable without written authorization.
11. During the course of construction on any lot, no temporary building, trailer, garage, or structure shall be used, temporarily or permanently, as residence.

16. Each lot shall at all times be kept in a clean and well maintained condition. All landscaped areas shall be well groomed and maintained at all times. No building or structure shall be permitted to fall in disrepair, and each such building and structure shall at all times be kept in good condition and repair and adequately painted or otherwise finished. In the event of damage or destruction to any such building or structure, such building or structure may be repaired or reconstructed in accordance with previously approved plans and specifications. In the event the owner of any lot elects not to repair or reconstruct, then such owner shall within ninety (90) days of such damage or destruction remove the structure, grade the property, and return same to a clean and well maintained condition. 18. The approval of plans or specifications submitted for approval as herein specified for use on any lot shall not be deemed to be a waiver of the right of the Developer to object to any of the features or elements embodied in such plans or specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other lots.

19. Developer shall have the power and authority to approve or disapprove the plans and specifications and site plan, and the approval of said plans and specifications and site plan may be withheld not only because of the non-compliance with any of the specific conditions, covenants and restrictions contained herein, but also because of the reasonable dissatisfaction of Developer with the grading plan, location of the structure on the site, the finished ground elevation, the color scheme, finish, design, proportions, architecture, shape, height, style, and appropriateness of the proposed structure or altered structures, materials used therein, the kind, pitch, or type of roof proposed to be placed thereon, the planing, landscaping, size, height, or location of trees on the site, or because of its reasonable dissatisfaction with any or all other matters or things, which, in the reasonable judgment of Developer, will render the proposed improvements inharmonious or out of keeping with the general plan of improvements erected on other lots.

20. The failure of Developer or its successors or assigns to enforce any covenant, condition, or restriction shall in no

event be deemed to be a waiver of the right to do so thereafter nor of the right to enforce any other covenant, condition, or restriction.

21. Every person who now or hereafter owns or acquires any right, title, estate, or interest in or to the Property or any portion thereof is and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in said lot or any portion of the site.

22. Developer may, from time to time, at any reasonable hour or hours, enter upon and inspect any lot in Meadow Run Subdivision, for the purpose of ascertaining compliance herewith.

23. For purpose of these restrictions, any written consents or approvals maybe given by such person or entity as the Developer may from time to time designate in writing, which designation will be filed in the public records maintained by the Clerk of the Superior Court of Fayette County, Georgia and which will be effective until the same is revoked in like manner.

The Developer is the owner of other properties in the area in which the property subjected to the within and foregoing Declaration of Covenants and Restrictions is located and, as such, has, and will continue to have, a direct and beneficial interest in the enforcement of the restrictions and covenants set forth herein and established hereby and may enforce compliance with such covenants and restrictions notwithstanding that the Developer may no longer have an ownership interest in the property subjected hereto.

DEVELOPER SHALL NOT BE LIABLE TO ANY PERSON WHOMSOEVER FOR ANY VIOLATIONS OF THESE RESTRICTIONS AND DEVELOPER DOES NOT WARRANT TO ANYONE THAT THESE RESTRICTIONS WILL BE ENFORCED AS TO ANY PROPERTY TO WHICH THIS DECLARATION IS APPLICABLE. THE INITIATION OF ENFORCEMENT ACTION FROM TIME TO TIME BY DEVELOPER OF THE ABOVE RESTRICTIONS WILL BE FOR ITS SOLE BENEFIT AND CONTROL AND DEVELOPER SPECIFICALLY DISAVOWS ANY OBLIGATIONS, IMPLIED OR OTHERWISE, TO MAINTAIN OR ENFORCE THESE RESTRICTIONS; HOWEVER, THIS SHALL NOT PRECLUDE OR PREVENT THE OWNER OF ANY PORTION OF THE PROPERTY FROM BRINGING SUCH ACTION AS IT DEEMS NECESSARY IN ORDER TO ENFORCE THESE RESTRICTIONS AGAINST ANY PARTY IN VIOLATION THEREOF OTHER THAN DEVELOPER.

Invalidation of any of the foregoing restrictions, or any part thereof, by judgment or court order, shall in nowise affect any of the other restrictions which shall remain in full force and effect. Said restrictions shall be covenants running with the land and shall be binding on all owners and occupants of all or any portion of the Property for a period of twenty (20) years from the date hereof.

IN WITNESS WHEREOF, this document has been executed and sealed as of the day and year first above written.
